Organization

Title: **Replacement of Podium, Electronics, and Computer in** Date: 07/13/2018
Vital MDD 208 in the Department of Mathematics

Name (Contact Person): Dr. Ross Chiquet

Address: Maxium Doucet Hall room 213

Phone Number: 337-482-6708 Email: rchiquet@louisiana.edu

Department/College/Org: Department of Mathematics/College of Science

ABSTRACT (250 words or less):

This proposal is for the purchase of a replacement podium, electronics, and computer in the most important room Maxium Doucet 208 for not only the Department of Mathematics but also the College of Education. It is used to benefit countless students throughout the university. This classroom is used for all department meetings, conferences, and most importantly for all of the departmental colloquia that are held weekly every semester and attended by all of our graduate students. These colloquia are a vital part of our graduate student's development as we bring in guest speakers from across the world to speak to our students about different research that is going on in the different areas of mathematics. This room is also used by the College of Education for all of their student's advising meetings and also for their Preview Days attended by possible incoming students.

Description of the Proposal:

A. Purpose of grant and impact to student body as a whole

The main purpose of this grant is for the purchase of a replacement podium, electronics, and computer in the most important room in Maxium Doucet Hall, MDD 208, for not only the Department of Mathematics but also the College of Education. This classroom without a doubt is the most important room we have in Maxium Doucet (MDD). It is used to benefit countless students throughout the university. This classroom is used for all department meetings, conferences, and most importantly for all of the departmental colloquia that are held weekly every semester and attended by all of our graduate students. These colloquia are a vital part of our graduate student's development as we bring in speakers from across the world to speak to our students about different research that is going on in the different areas of mathematics. The conferences and other seminars held in MDD 208 are attended by undergraduates and graduate students not only from the Math department but also from department throughout campus.

This room is also used by the College of Education for all of their student's advising meetings and also for their Preview Days attended by possible incoming students. Thus basically this room is vital to many students.

Currently, the electronics in the podium used to connect to the projector for presentations and talks are not repairable and the whole podium needs to be replaced. This grant would be for the purchase of a new podium and new computer for MDD 208.

B. Projected lifetime of enhancement

It is expected that the podium and computer will last between five and ten years before needing upgrades or replacement.

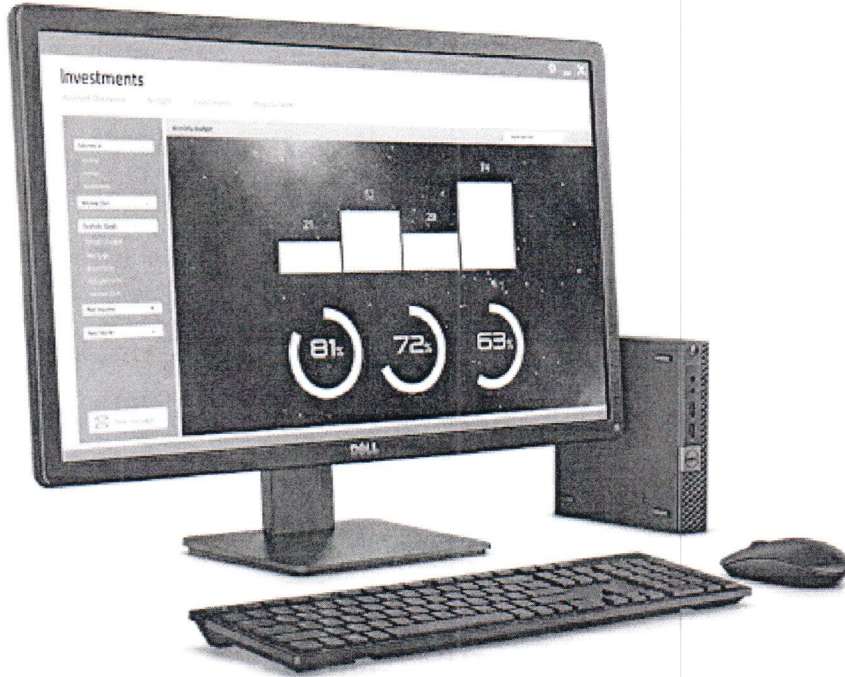

C. Person(s) responsible for

- i. Implementation:** Ross Chiquet and Ralph Baker Kearfott.
- ii. Installation:** Go Media
- iii. Maintenance:** Ralph Baker Kearfott, the department's computer maintenance person.
- iv. Operation:** Faculty of the Math Department
- v. Training:** No training is required

Budget Proposal

1.	Equipment: Electronics, podium and computer (please see attached) (Purchased through PC Depot)	\$7819.65
2.	Software: No additional software besides the preinstalled or free software required.	\$0.00
3.	Supplies: None	\$0.00
4.	Maintenance: None anticipated	\$0.00
5.	Personnel: None	\$0.00
6.	Other	\$0.00
<hr/>		
7.	TOTAL:	\$7819.65

Desktop Standard - Dell Optiplex 3050 Mini Tower with Monitor

- Intel Core i5-6500 Processor (Quad Core, 6MB, 4T, 3.4 GHz, 65W).
- Mini Tower Case.
- 8GB (1X8G) 1600MHz DDR4L Memory.
- 500GB 7200RPM Hard Drive.
- 8x DVD+/-RW 9.5mm Optical Disk Drive.
- 4 - USB 3.0 (2 front/2 rear), 4 - USB 2.0 (2 front/2 rear), Internal USB 2.0, RJ-45, Display Port 1.2, HDMI 1.4, 1 UAJ, 1 Line-out.
- 5-year warranty.
- Dell 23 Monitor with USB Soundbar.
- Windows 10.
- Office 2016.
- Sophos Security Suite.
